

Core Values & Mission:

We are committed to providing a stimulating, innovative and rich curriculum using Creative Curriculum and the Pyramid Model while also following the NH Early Learning Standards.

We value families as educational partners and cultural diversity. We also believe in making our program accessible to all Claremont families tuition free and with universal transportation.

We recognize that families play an important role in educating their children. We encourage open communication between staff and families and support all learning abilities.

Our Program:

Our morning program runs Tuesday through Thursday from 8:30 to 11:15. Our afternoon program runs Monday through Thursday from 12:15 to 3:00.

Our program is tuition free and we offer transportation to Claremont families. We also have an open door policy and encourage families to take part in our everyday activities as often as possible.

Our Vision:

To provide developmentally appropriate experiences for Claremont children ages three to five that will increase their chances of succeeding in school and in life.
