At Newfound Area  
School District  
our Vision is  
Students Succeed  
Communities Prosper  
and the World Benefits.

The Newfound Area School District (NASD) is looking to change and expand its current preschool program! The district currently offers a Preschool for students with disabilities, and is changing to a model where more than half of the students will be typically developing.

The NASD Preschool will be staffed by fully certified teachers and staff and will offer an engaging, structured, developmentally centered approach. The NASD Preschool is located at Bridgewater-Hebron Village School and is open to students from any of the seven towns in the district.

If you are interested in enrolling your child, please complete the information below.
