- Does the child have a perceived delay/concern/issue in any of the 5 domains?
 - Does the delay/concern/issue impact education and functional performance?
 - Does the child require specialized instruction?
 - Does the child's delay/concern/issue impact their ability to access the curriculum?
 - Is the child not meeting developmental milestones?
 - Are current gains in performance a result of services?
 - Is the child at risk without continued services?
 - Are there emergent skills?
- 2.2 If the IFSP Team determines the child is not potentially eligible, the Service Coordinator shall make reasonable efforts to convene a conference with providers of other services to discuss appropriate services the child might receive.

- 3.1 If the parent does not inform the FCESS program, in writing, within 7 calendar days of receiving the referral/notification information that they wish to opt-out, the FCESS program shall notify the responsible school district as soon as possible but no later than 90 days before the child's third birthday
- 3.2 Upon notification/referral to the school district, FCESS shall transfer the child from NH LEADS (FCESS data system) to NHSEIS (NHDOE data system)

- 4.7 The NH Standards for the Education of Children with Disabilities require a school district to act upon a referral within 15 days of receipt regardless of its source and age of the child. The School District may request an informational packet be completed by the family; however, failure by the parent to complete the packet cannot be used to defer the timelines for the disposition of the referral or the evaluation.

- 4.8 As required by the NH Standards for the Education of Children with Disabilities, written parental permission is required before any evaluation may be conducted by the school district. This includes an observation of the child while at the Disposition of Referral meeting. Parents may give written permission at the meeting for the observation/evaluation to occur. Without written permission, the IEP team may not use the observation/information as part of determining eligibility or present levels.
- 4.9 Parents shall be provided with Written Prior Notice of all proposals/refusal that occur at any meeting (Disposition of Referral, Evaluation, Eligibility, IEP and Placement) so that they may make informed decisions. Parents shall be given 14 calendar days to make decisions regarding any proposal by the IEP team.
